## Security Check Sheet

The following can help make your absence less obvious and should be used as appropriate for your situation.

1. Lock all doors and windows, including garage, house and garden shed.
2. Cancel post, newspaper and any other regular Deliveries.
3. Lock away all tools and ladders.
4. Arrange for lawns and hedges to be trimmed while you are away.
5. Mark all your possessions with your own security mark and note down any serial numbers.
6. Display "Beware" signs if you have a dog or alarm.
7. Do not draw your curtains.
8. Leave appropriate internal light[s] on connected to a timer that will switch them on at night only.
9. You may want to leave a radio on quietly.
10. Advise your neighbours of your plans. Arrange for mail to be collected if possible or held by the postal service.
11. Consult your neighbourhood watch group.
12. Divert or unplug your phone.
